

IP Adhesive Remover Pro is a professional, ready to use and very powerful product for removing adhesive remains on various surfaces.

IP Adhesive Remover Pro

IP Adhesive Remover Pro is ready to use. Soak a soft cloth with adhesive remover and apply directly onto the surface. Allow to soak for a few minutes before rubbing the adhesive off. Wipe the surface clean using a clean, dry, soft cloth. Repeat as necessary. To minimize the possibility of staining, do not apply in direct sunlight or onto a hot surface. IP Adhesive Remover Pro does not contain hazardous materials and is environmental friendly. Do not use below 5°C.

Precautions: Vapor may cause flash fire. Keep away from heat, sparks, flame and sources of static discharge. Avoid eye and skin contact. Wash thoroughly after handling. Avoid breathing vapors, mist, or spray. Use only with adequate ventilation. Close container after each use. Do not ingest. KEEP OUT OF REACH OF CHILDREN.

Suggested First Aid: Eye Contact: Flush eyes with large amounts of water. If signs/symptoms persist, get medical attention. Skin Contact: Remove contaminated clothing and shoes. Immediately flush skin with large amounts of water. Get medical attention. Wash contaminated clothing and clean shoes before reuse. Inhalation: Remove person to fresh air. If signs/symptoms develop, get medical attention. If Swallowed: Do not induce vomiting. Give victim two glasses of water. Never give anything by mouth to an unconscious person. Get immediate medical attention.
